****Shaded agencies on the list have age and/or type of charge restrictions**

*This is a list of suggested places that you can do your community service hours. You can also complete your hours with **other non-profit organizations (examples: churches, nursing homes, schools . . .)** You can do your hours at more than one place. If you have any questions as to whether you can work at a certain place--- please contact the Juvenile Services Office first to verify that it qualifies as a community service agency. If you live outside of the Grand Island area you can complete your hours with places that are similar to the ones listed above in your town –such as your own local schools, YMCA, Chamber of Commerce, County Offices, Goodwill, etc.*

You can always check your local newspaper or search the internet for upcoming events in the town – for things like pancake feeds, parades, running races, school events, etc. – and then contact the agency that is hosting the event to see if they need some help. Please check to make sure that it is a non-profit organization or call our office to make sure it does qualify if you have questions.
