

The Hall County Department of Corrections is a maximum/medium/minimum security facility housing both adult males and females.

The Department of Corrections dedication ceremony of its new facility took place on June 18, 2008.

The 80,000 square foot building designed for 320 beds was built with the capability of almost doubling that number with a future addition to 608 beds. The kitchen, laundry and administration portions of the building were designed for such an expansion in mind.

575+ concrete trucks with enough concrete to pave 12 football fields 3" thick including end zones (62 million pounds of concrete).

Over 1200 light fixtures.

110 security cameras.

Over 800 pieces of precast concrete panels with an average size of 10" thick by 10' wide by 28' tall and each weighing approximately 18,000 to 20,000 pounds.
